## PALLETS

### INJECTION MOLDED PALLETS

**Stackable 40 x 48**

**Rack & Stack 03 48 x 48**

**Double-Sided Rack & Stack 48 x 48**

**Rack & Stack 07 40 x 48**

**Solid Deck Rack & Stack 40 x 48**

**Reversible Solid Deck Rack & Stack 40 x 48**

**Open Deck Steel Rack & Stack 4-Way 40 x 48**

**Solid Deck Steel Rack & Stack 4-Way 40 x 48**

**Rack & Stack Beverage 37 x 37**

Injection molded pallets are the workhorses of the supply chain. High impact resistance, low damage rates, no loose wood shards or splinters on the floors or pallets, and increased sanitation capabilities are some of the many benefits of plastics pallets. We have many different model variants of injection molded pallets in different sizes and load carrying capacities to meet your needs.

### EXPORT PALLETS

**Nestable Export 15 40 x 48**

**Nestable Export 30 40 x 48**

**Stackable w/ Runners 40 x 48**

**Stackable Perimeter Base 40 x 48**

**Solid Deck 40 x 48**

**Solid Deck Stackable w/ Base Runners 40 x 48**

**Solid Deck Stackable Perimeter Base 40 x 48**

Export pallets are ideally designed for exporting to supply chains with no reverse logistics. ISPM 15 compliant, their low cost and light weight make one way pallets a perfect solution for certain supply chains. Our different model variants of export pallets offer many options to safely ship or store your product.
